

Hafa Adai and Tirow from the Governor's Tournament of Champions!

Twenty-two years ago we brought this two-day tournament to Saipan, mirroring Guam's TOC, for the same reason – to beautify our destination for our residents and visitors alike. It has been a private-public partnership that has worked for 22 years.

We are pleased to present you with sponsorship opportunities for 2017 to commemorate the 22nd Annual Governor's Tournament of Champions. As we have over many years, we will play at the beautiful LaoLao Bay Golf Resort. Please note that we are moving the tournament from the usual August date to this year's Memorial Day Weekend - May 27 and 28.

While tournament proceeds have always gone towards beautification projects since the inception of this golf tournament, last year we deviated from the usual practice. Instead, your board chose to partner with CARE CNMI and a \$50,000 donation was made to this very worthy post-Soudelor organization for their Repair and Rebuilding Program. They are now focused on allocating resources to families with individuals age 65+ or under 3, individuals with disabilities and families below the poverty level.

Your company's name will be well represented in front of up to 288 players, some of whom will travel from various parts of our region, including Japan, Korea, China, USA, and of course our neighbors from Tinian, Rota and Guam.

Thank you in advance for your favorable consideration of this request. Kindly confirm your participation by contact Ms. Marida Pensader by phone at +670 236 2530 or email her at marida.pensader@dfs.com or Ms. Amanda Ramon by phone at +670 236 2511 or email her at amanda.ramon@dfs.com.

We look forward to working with you to make the 22nd Annual Governor's Tournament of Champions a success for the CNMI and your business!

Sincerely,

Marian Aldan-Pierce
